Stylish and very comfortable this fabulously curvy swing seat is also great fun. Amber Garden swing chairs are made from European spruce, treated and planed to achieve the beautiful, smooth finish and have a modern globo shape.

The swing seat is the ideal place for two to swing gently outside and inside suspended perfectly on the strong spring and chain. Multiple layers of weatherproof spruce wood guarantee maximum stability and safety. Both single swing seat and double swing seat are filled with padded cushions, available in cream, green and terracotta. All fittings of the hanging chairs are galvanised for years of use. Amber garden globo shape garden swing seats will look stunning in your garden or any outdoor space.

Amber Garden is the only DIRECT IMPORTER of the swing seats.
